

Stewart Jones, AIA

Managing Director

Stewart Jones, AIA is responsible for shaping new opportunities and relationships in cultural facility planning and design, providing clients an exemplary collaboration between design excellence and sound project management principles.

For 22 years, Mr. Jones was instrumental in growing the performing arts practice of AIA Firm of the Year recipient Hardy Holzman Pfeiffer Associates, was named Director of HHPA's Theater Group and has been featured in numerous publications, including *HHPA Theaters*. Under Mr. Jones' management were realized several of the firm's most prestigious cultural projects, including the restoration of Radio City Music Hall for Cablevision and the New Amsterdam Theatre for Disney and production of *The Lion King*.

Stewart was named Managing Director of JCJ Architecture's New York City office in 2006.
